

Dear Burfordians,

Invitation to Support the Burford Festival 6-16 June 2024

Cash Donations & Donations in Kind

The Burford Festival is a biennial 10-day celebration with an exciting array of quality events, a colourful mix of music, literature, theatre, open gardens, speakers, performances and community events. It is a popular focal point for all the surrounding communities and attracts many new visitors to the town to discover its delights and what it offers.

The Festival is set up as a charity, to bring new educational and cultural experiences to the people of Burford and surrounding villages and promote social cohesion by offering events that appeal to every part of the community, at affordable ticket prices. Any surpluses are donated to local projects and charities in line with these objectives.

It is run entirely by volunteers. Well over 100 people were involved in the Festival activities during 2022 - opening their gardens, distributing marketing material, stewarding events and selling tickets. It is truly, a real community effort.
